

1 SUMMER. 3 CAMPS. 878 ORPHANS REACHED.

All three of our Camp Hope summer Bible camps have been completed as of last month. We are thrilled to report that 878 children attended and 414 gave their lives to Christ for the first time! Praise God!

Each of the 5-day Bible camps shares the Word of God and the gospel of Christ to around 300 children who are identified by local churches to be orphans or in vulnerable situations. **Two of our three camps were completely Zambian-led this year.** We are grateful for their leadership and vision for the Camp Hope ministry!

Our Camp Hope mission team

Our second Camp Hope of the summer was led by a short-term mission team of 25 Americans in Chongwe, a town just 45 minutes east of Lusaka, the capital of Zambia. Thank you to all who supported these volunteers financially and prayerfully. The team was comprised of people from five different cities, so it was amazing to see everyone come together in unity for the cause of the orphan.

HOPE RESTORED AT 3 SUMMER CAMPS

The children were placed in different groups led by a short-term missionary and translator, and they participated in games, crafts, worship, prayer, and Bible story lessons and skits each day. **Please pray that the seeds sown at camp will continue to grow in the years to come.**

Many of **our older My Father's House students** attended **Camp Hope** when they were younger so it was very encouraging to see some of them join **Camp Hope as volunteers** this year! Dickson, Thoko, & Moses (top-to-bottom) are pictured with kids in their groups here.

SPONSORSHIP: 26 Suitcases of Gifts Delivered

The energy in the atmosphere was electric when **we delivered 26 large duffel bags filled with sponsor gifts** to our My Father's House (MFH) families in August. It was like Christmas in each of the homes! Smiles and laughter abounded as our mamas and students eagerly opened the gifts they received.

Thank you to all of our generous sponsors for sending your love to our family in Zambia! Because of you, every single student and mama received at least one gift!

GRAND OPENING: Narrow Road Bike Shop

In addition to our **Chicks-4-Orphans** Business-As-Missions project, **we launched a second Bikes-4-Orphans project last month** with the help of two new partners, Bicycles for Humanity (B4H) and Perkins Motor Plex. **The bicycle sales & repairs shop will help our students learn small business management, sales, technical, and customer service skills.** Please join us in celebrating the Lord's faithfulness in every step of this process!

AUGUST 2015

First Scouting Trip

Bicycles for Humanity chooses one non-profit to partner with each year. In August 2015, B4H sent two representatives to Zambia to vet Every Orphan's Hope for a potential partnership. They spent four days meeting the staff and reviewing the operations.

Container arrives in Zambia

Container is painted and prepped

Bicycles for Humanity collected bicycle donations in April 2016 and **filled a 40-foot shipping container (that would eventually become the bike shop itself)** with bikes, parts, and tools before transporting it to Zambia.

The container arrived in Chongwe in July 2016. Once it arrived, EOH staff and MFH students made necessary preparations for the shop by painting the container, pouring a cement slab, and putting up an awning and signs.

AUGUST 2016

Partners Arrive in Zambia

Bicycles for Humanity CEO, **Josh Pace**, and Perkins Motor Plex CEO, **Tim Perkins**, arrive in Zambia to join EOH leadership and staff at the Narrow Road Bike Shop Grand Opening Ceremony.

AUGUST 24, 2016

Grand Opening Ceremony

The Narrow Road Bike Shop Grand Opening Ceremony was held in Chongwe with representatives from B4H, Perkins Motor Plex, EOH, and the local community.

Children from our My Father's House (MFH) family homes presented songs and dances, community leaders honored the ministry of Every Orphan's Hope, and a handful of bicycles were donated to health care workers in the community. (Special thanks to Preston Ridge Baptist Church's VBS for their contributions to the Bikes-4-Orphans campaign.)

AUGUST-SEPTEMBER 2016

Training & Business to Open

Charles, one of our older MFH students, attended a B4H training with some other technicians in Ndola, Zambia on behalf of EOH to learn the necessary bike sales & repair skills for our Narrow Road Bike Shop. **Our shop is scheduled to open for business in October 2016.** Please pray for this new business!

HOME RENOVATIONS: Completed

The home renovations at all 12 of our My Father's House family homes have officially been completed! The children and mamas are all so pleased with the new updates. When asked what their favorite part about the renovations was, the children said the showers (a nice upgrade from the bathtubs they had before) and the mamas said the kitchens.

The house interiors and exteriors were plastered and painted, ceilings, windows, and door frames were replaced, and structural issues with the porches, clothes-washing basins, wall-fences, and gates were repaired. All of the kitchen cabinets were replaced due to termite damage. Each home also received new counter-tops, sinks, stoves, refrigerators, kitchen tables, and kitchen chairs.

We are so grateful for all who have responded and made financial investments in the renovation project! We know that these updates will provide a comfortable and safe environment for our families.
