

**BUD FUCHS** - Cross-Cultural Equipper

**FEBRUARY 2017**

Dear Family and Friends,

We are so grateful for your prayers & support! The Lord is good and has opened more opportunities for us lately. Conversation Cafe is growing with interest and in numbers. We have now expanded it to two times per week—Saturday mornings and Thursday evenings, and some of the students even attend both!

We have been blessed with several of our students being believers and they are actively inviting others to our events. One of the students, a man from Mongolia (Naya), is now going through the Gospel of John with me. His desire is to lead others in the future. He is pictured telling a story at our Christmas Party.

A big event that many international students attend is the Asian New Year Party. We hosted our own on January 28 and attended the UVU Party a few nights later. These cultural nights we host and those we attend on campus are a great way to meet students.

Showing interest in their culture and enjoying their food can make huge in-roads in relationships.

The location where we live is a mission field as great as any on earth, and the attacks of the enemy are real and vicious. Please pray for the breakdown of strongholds and victory over the darkness. Many of the workers here lose heart and get very discouraged. They need your prayers!

Please pray for churches to grasp the vision and opportunity to reach the world right on their doorstep. Click on the link below to watch the video:

**Praise:**

- \* Growth in numbers in our events.
- \* Lois’s brother has had very positive reports with no cancer currently to be found, and her niece with cancer had a healthy baby and is in continued treatment. Continue to pray for both.
- \* The training seminar to reach internationals is ready to come train your church.
- \* We are nearing 90% of our support needed!

**Pray:**

- \* For faithfulness for the group of volunteers that went through our training for this ministry.
- \* For our grand-daughter with serious ear issues, again had surgery in Nov. Pray for restored hearing loss and dizziness issues.
- \* That we can expand our influence into other schools in our area.
- \* That churches would catch the vision for this ministry to internationals.

*May God be gracious to us and bless us and make his face shine on us—so that your ways may be known on earth, your salvation among all nations.*

- Psalms 67:1-2
