

Building Update

In our last newsletter we wrote about having to move out of the historical Gebauer house to make way for the new Cameroon Baptist Convention Central Office building. We renovated an existing duplex on the same compound, moved and settled in, and are grateful for our new digs. Since then, we have watched the Gebauer house come down and the subsequent construction of the new office building. Everything is on schedule for a mid-June move-in date. Having the majority of the CBC departmental administrations in the same building will assist in ministry collaboration.

National Missionaries

The Cameroon Baptist Convention department of Evangelism and Missions is growing its efforts of sending Cameroonian missionaries to least-reached peoples within Cameroon and neighbouring countries. Recently, Calvin had the privilege of meeting with four newly appointed missionaries. The topic he covered with them was Cross Cultural Adaptation and Communication. Although Cameroon is a relatively small country (same size as California), its population of more than 22 million is made up of over 250 distinct cultural and language groups. Taking the Gospel to others, even within Cameroon, then requires the ability and patience to learn other cultures and languages. These missionaries are now getting established amongst the people God has called them to serve.

PRAISES

- Praise for a comfortable new house to call home and for the progress on the administrative building.
- Praise for safety and security in the midst of the unrest.
- Praise for the national missionaries that God is raising up to continue the work of reaching the least reached.

Opportunity to Bless

Assisting National Missionaries Fund

Cameroon national missionaries are going to the least-reached peoples of Cameroon. While local churches support the basic salaries of these missionaries, many do not have enough resources to do ministry. Contributions will provide these national missionaries with Bibles, literature, or even a motorcycle in order to reach the people to whom they are sent.

To financially assist a national missionary in Cameroon, scroll down at:

CALVIN & SUSANNE HOHN - Missionaries in Cameroon

Spring Break

We enjoyed two weeks together as a family when Ysabelle and Elianna had spring break. The first week they come home to Bamenda where we saw a bit of them when they weren't catching up on much deserved sleep. The second week we spent at the beach.

The girls are back in school for the last term of this year. It's always the busiest term with final exams, papers, and various school events, like the school play. This year it's Shakespeare's *A Midsummer Night's Dream* - with an African twist! Ysabelle is busy being both cast and crew.

The school year finishes the first week of June. We're looking forward to three weeks in Canada in July: the first two weeks in Kelowna with Cal's mother and one week in Edmonton attending the NAB Triennial Conference. Maybe we'll have the privilege of meeting up with some of you there.

Cameroon

The Anglophone regions of Cameroon continue in a state of socio-political and civil unrest. While we generally feel safe and secure where we live, some of our colleagues have had to move out of their locations. Thousands of people are being displaced as the violence spreads. The CBC hospitals and our medical colleagues treat many victims of the violence. We are grateful that in the midst of the unrest, the peace of God guards and guides us – enabling us to be channels of His peace amidst uncertain times.

PRAYER REQUESTS

- Continue to pray diligently for the country of Cameroon, that a peaceful resolution to the socio-political crisis would be agreed upon soon.
- Continue to pray that the church and Christ followers would lead the way of peace, forgiveness, and resolution.
- Pray for the many displaced people and victims of the conflict and violence.
- Pray that no matter what house we live in, we would faithfully continue living the legacy of serving, hosting, loving, caring for, dreaming, strategizing and planning - all to God's glory and the growth of God's Kingdom.

"For we are God's workmanship, created in Christ Jesus, for good works which He prepared in advance for us to do."

Ephesians 2:10

Always grateful for your partnership,

Calvin, Susanne, Ysabelle & Elianna
