

FEBRUARY 2024

HOME ASSIGNMENT CONTINUES

Prayer

- For God to raise up and send out new and more workers to minister cross-culturally in Cameroon and elsewhere.
- For God, through His Church, to bring reconciliation, ending the civil unrest in the English-speaking regions of Cameroon.
- For Florence's trip to Cameroon to attend to her dental practice and choir ministry.

Praises

- For safety in travel and the opportunity to connect in-person with sending churches and individuals.

Devote yourselves to prayer, be watching and thankful.

COLOSSIANS 4:2 (NIV)

Florence enjoys a snowfall after a four-year absence from such an environment.

missions accountant for the Cameroon Baptist

Since the last newsletter in November, I have continued to be on missionary home assignment in North America. Safely travelling to some supporting churches, I have given mission reports. There has been ample time to rest and replenish, especially over the Christmas holiday period. When I started home assignment in July, there was no replacement for my role as cooperating

Convention Finance and Development. Hence, I have been regularly communicating with the staff there and doing what work I can remotely from North America.

In late February, Florence plans, God-willing, to return to Cameroon for about a month to attend to her dental practice and choir ministry. She will then return to North America to join me and finish the home assignment period, possibly in June or July. We rejoice that, despite continuing unrest in Cameroon, the Church continues to worship and minister.

To that end, I would like to share information about one of the NAB Cameroon Special Projects for your consideration: **Assist a National Missionary** (\$1,000 annually per national missionary suggested).

WALTER GROB, NAB MISSIONARY IN CAMEROON

Cameroonian national missionaries are teaching the least-reached peoples of Cameroon. While Cameroon Christians support the basic salaries of these missionaries, most have no ministry funds. Contributions will provide these national missionaries with Bibles, literature, or even a motorcycle in order to reach the people to whom they were sent. This could be a very encouraging and strategic way of helping our brethren in Cameroon. You can do so by going to the North American Baptist Conference website and click on "Give," then click on "Special Projects" and scroll down to the very last Cameroon Special Project and give online. If sending a check/cheque is preferable to you, use one of the following:

We continue to be humbled by the care and support of our senders and sending churches. We are grateful for the opportunity of this period to meet with them. It is a privilege to be partners for the Gospel.

Sincerely,
