

NOVEMBER 2025

## FALL IS IN THE AIR

### *Praises*

- We got the roof finished on the Mission House.

### *Prayer*

- Safe travels back to Canada and an enjoyable time with our family.

*Enter his gates with thanksgiving and his courts with praise; give thanks to him and praise his name.*

*For the LORD is good and his love endures forever; his faithfulness continues through all generations.*

PSALM 100:4-5 (NIV)

As the weather takes on the feel of fall and things slow down at Camp Falcon Rock, we take time to reflect on the busy summer and the lives that were changed, and we praise God for his faithfulness and for all that took place.

The new lodge is looking great: new stairs, railings, and the first coat of stucco on most of the building.

For two weekends in September, the counties of Salaj and Bihor celebrated their annual Thanksgiving services at the camp. There were close to 1,500 people at the two services. Many pastors shared God's Word, choirs sang, and they enjoyed coffee and sweet bread on the basketball court. Everyone is very thankful for the main lodge to enjoy these special events in.

We hosted the first of many wedding receptions at Camp Falcon Rock. It was wonderful to see the space beautifully decorated and to watch 250 guests enjoying the facilities.

The Mission House is getting a new roof – the guys have been working hard on replacing the old roof tiles and putting new ones on, plus adding insulation. We are sure we will notice a difference in both winter and summer.

We will be returning home November 14 through December 30. We are looking forward to seeing our family and spending Christmas with them. We hope to visit a few of our supporting churches while at home, so maybe we will see some of you!!

Thank you again for your continued prayers and support. We are blessed to be serving here in Romania.

Till next time – Blessings to all.
