

Philippines – Chef for Food Ministries

Job Description:

Use your cooking and restaurant skills to serve God at our missional coffee shop. Curate and cook a creative, healthy menu to help Filipinos eat healthier. Work with a team of believers to organically reach out to locals with the love of Jesus through the coffee shop. Cook for regular feeding programs, as well as host some cooking workshops as a practical way to reach Filipinos for Christ.

- Long-term: 1–3 years or more (2–3 months short-term experience required)

Responsibilities:

- Work with a Christian kitchen crew at our missional coffee shop.
- Use your creative cooking skills to help change Filipino food culture for the better.
- Regularly cook meals for outreach feeding programs that we do with local ministry workers.
- Host cooking workshops to build relationships and bring Jesus' love in practical ways to the people.
- Contribute to team ministries.
- Live in the local community.
- Learn the culture and local language.
